SECOND REQUEST TO EXTEND TIME FOR FILING OPPOSITION

Pursuant to Trademark Rule 2.102, H-D Michigan, Inc., a Michigan corporation, of Ann Arbor, Michigan, and potential opposer herein, requests that it be granted a thirty (30) day extension of time within which to file an opposition against applicant, Brigitte Sampico, regarding the mark, HARLEYZ ANGELZ. H-D Michigan, Inc. is the owner of most of the trademarks associated with Harley-Davidson Motor Company Group, Inc., a Wisconsin corporation, of Milwaukee, Wisconsin.

This mark was published for opposition in the Official Gazette of the United States Patent and Trademark Office on September 18, 2001, as Serial No. 76/242370, in class 25, for "t-shirts". Currently the opposition period expires on December 17, 2001, and potential opposer requests that a thirty-day extension be granted, extending the deadline to January 16, 2002. Good cause for such extension is shown in that potential opposer needs extended time within which to continue its investigation of the above application and contact applicant to discuss the matter of protecting of potential opposer's rights in its mark and the propriety of filing a Notice of Opposition. An extension is also warranted because the attorney who initiated this matter has resigned from the Company necessitating the re-assignment of files and transfer of responsibility of this matter.

W

This request for extension is made in good faith and not for the purpose of unnecessary delay. It is respectfully requested that the extension be granted.

Respectfully submitted,

H-D MICHIGAN, INC.
